MEMORANDUM FOR : Office of General Counsel
Office of Legislative Counsel

FROM : Robert D. Brown, Jr.
Chief, Career Management Staff/DDO

SUBJECT : George Joannides (GS-16)

1. Please find attached the file on subject officer. Mr. Joannides is a "D" careerist who has recently undergone major surgery. As a result of this surgery, Mr. Joannides does not believe he would be eligible for a PCS assignment overseas and, thus, his comparative ranking and value to the Operations Directorate would be limited. Mr. Joannides has a law degree and feels that he might make a solid contribution with this legal background and his operational experience gained in some 20 years of DO service to either OGC or OLC. Mr. Joannides does believe that his health is sufficient to permit TDY travel either domestically or overseas and would have no objection to such work. I am, therefore, forwarding his file to addressees and ask that you review this file against possible openings in your respective offices to determine whether there might be a suitable position for Mr. Joannides. I am reasonably confident that Mr. Joannides could be made available in a reasonably short period of time should an opening be available to him.

2. Given the above factors, we must clearly state that, if Mr. Joannides were accepted in either OGC or OLC, it should be with the understanding from the Operations Directorate point of view there would be a change in career designation from the "D" to the "E" Career Service.

Robert D. Brown, Jr.
